Acel

10 - Site Equipment

Acel part number AC0156

80mm Wide Chisel

This 80mm wide chisel is ideal for producing repeated numbers of electrical back boxes in tough masonry.

User convenience is assured by avoiding hours of labour intensive manual chiselling.

Perfect for use in hard materials.

Can be used in:

Heavy duty concrete, General Concrete, Hard bricks, Soft bricks, Lightweight blocks, Natural stone, Constructional granite, Limestone, Mortar

Tech-Tip

SDS Plus shanks should be greased prior to and during use. This reduces heat build-up which reduces wear on the chisel and the machine.

Prior to using chisels, please ensure your machine has the 'chisel only' function as they are designed to be used on this function only.

Technical Specification	
80mm Wide	150mm Overall Length

10-AC0156-2021-V1
