Tri-Cut Complete Box Set

Drill a square hole for back boxes in under 2 minutes

The new EBS Single Box Sinker Set features an all new Tri-Cut Round Cutter. Designed with a 50% increase in carbide inserts for added product life, the Tri-Cut Round Cutter now exhibits maximum performance in the hardest materials. Vibration is reduced by over 20% delivering superb comfort and user balance whilst drilling.

EBS is ideal for occasions when:

Time saving is essential

Neat & professional finish is required

Flat backed hole is desired

Numerous back box holes need to be drilled
