Acel part number AC0564

Digital LED Light Meter

- Measuring Range 0.01 - 200,000 Lux
- Measures Emergency Lighting Levels
- Auto / Manual Range
- Measures LED Colours- Red, Amber, Green, Blue, Purple
- Measures Standard Lighting Lux Levels
- Digital and Bar Graph Readings
- Peak and Data Hold
- Min / Max Measurements
- Low Battery Warning
- 9V Battery Supplied
- Padded Case Provided
- Calibration Zero Function

Technical Specification

Section 10-AC0564 2021 V19
