AC0568

Network Data Tester

Cable Length, Min 1 Metre, Max 300 Metre

Tests UTP Cable

Tests STP Cable

Tests Coaxial Cable

Checks Continuity

Checks Configuration of Wiring with RJ45 Plugs

Tests for Open Circuits

Tests for Shorts

Tests for Miswires

Tests for Reversal & Split Pairs

Shield Detection, Tests Shield Integrity

Main and Remote Unit Allow One Person Testing

Low Battery Indication

Identification Plugs Supplied 1 & 2, Optional Plugs 3-8 Options Available

Technical Specification

Section-10-AC0568 2021 V19
