AC0524

5 in 1 Multifunction Tester

The small Multifunction Tester packed with big features and a leading seller within the industry! As with all Kewtech MFT's, the KT63DL is easy to use, has robust loop testing circuits, continually guards against live circuits when dead testing and has an auto RCD test as standard.

- Easy to use
- Continuity, insulation, loop, PSC/PFC, RCD
- Type AC / A & Type ACS /AS RCDs
- New Anti-Trip technology loop for full no trip loop testing of all RCD types
- Low susceptibility of RCD uplift and noise interference
- Displays PFC/PSC at same time as loop reading
- 250 / 500 / 1000V insulation test with auto discharge
- RCD auto test mode for 30mA RCDs and RCD ramp test function
- Auto ranging continuity measurement to 2000 ohms
- Protected against phase to phase connection
