
AC2590

Brass Earthing Terminal

Features and benefits here

Brass construction

Nickel plated for superior corrosion resistance and increased fatigue strength

2x5mm dia Countersunk fixing holes

Max conductor size 1x25mm2 + 3x16mm2

Technical Specification	
Max Conductor	With cheese head, brass screws, 1x25+3x16mm^2
Cable Entry Holes	1x6.5mm & 3x 5.5mm
Size	4 Way
Dimensions	14x54x19mm (HxWxD)

2-AC2590-2021-V1
