Product image

Acel part number AC0584

EVSE Testing Adapter

- Tests Mode 2 and Mode 3 Charging Stations
- CAT III 300V
- Fault Simulation (Earth And Electrical Fault)
- Phase Presence Indication
- Type 2 Connection
- Communication Lead Supplied, Ideal For Use with AC0583
- Data Saving Using the AC0583
- Vehicle Status Simulation (CP) A,B,C,D
- External Load-Fused Max 10A/230V
- Guided AUTO Sequence Using the AC0583
- Cable Coding Simulation (PP) Open, 13A, 20A, 32A and 63A
- AC0584 Can Be Used with Other Capable Multifunction Testers
- Hard Carry Case Supplied
- 2 Year Warranty

Technical Specification

Section-10-AC0584 2021 V19
