## Diamond Wall Chasing Blade

125mm Wall Chasing
Diamond Blade (Twin Pack - contains 2 blades).

Diamond Wall Chasing Blade provides extreme cutting speed when chasing in hard materials due to the turbo segment design and optimum diamond concentration.

13mm Diamond Segments Provide increased abrasive resistance for extended tool life.

Turbo Segment Design Dramatically reduces blade drag for extreme cutting speed.

Cooling Slots in the turbo segments clear waste for prolonged life and durability.

Optimum Diamond Concentration in blade segments allows the production of rapid tracks in the hardest materials.

Designed for use in general building materials Blade can be used wet or dry.

This product is sold in a twin pack and in the following size:

Size - 125 X 2.2 X 22.23 (5" X 1/8" X 7/8")

10-AC0178-2021-V1
