
AC7952

Male Hook 20mm Galvanised

Features & Benefits

Galvanised/Corrosion resistant

Suitable for use with 20mm conduit

Complies with LU Standard 1-085 (for use on surface and sub-surface locations)

Technical Specification	
Thread	M20
Finish	Diecast
Standards	BS 4568 & BS EN 61386-1
Thread Type	Male

7-AC7952-2021-V1
