

### AC02223

DEWALT 12V DRILL DRIVER & IMPACT DRIVER SET (2 X 2.0AH BATTERIES)

Both compact tools in this kit are designed to be light and maneuverable for ease of access and low operator fatigue. This is further emphasized by the small 2.0Ah battery packs supplied which have a more than ample runtime.

Comes with: 2 x 2.0Ah batteries, charger, TStak clear lid kitbox with storage under removable tray
