

Acel part number AC0481

Acceler8% Sheet Steel Holesaw

Pack contains 1 x 20mm and 1 x 25mm Acceler8% Sheet Steel Holesaws.

With drilling speeds of 3.4 seconds and 37% faster than a standard holesaw, Acceler8% is the fastest way to drill sheet steel.

Impact rated shank for use within impact drivers
Flared body depth stop for improved safety and easy tool removal.

0.6mm 'slim line' kerf provides reduced resistance for rapid drilling.

HSS Cutting edge with 8% cobalt for extra durability.

8 teeth per inch for unbelievable smoothness of cut.

Internal ejection spring automatically ejects the metal disc for hassle free drilling.

Acceler8% can be used in: Mild steel, Stainless steel, Aluminium, Up to 1.6mm thick.

Perfect for users drilling: Steel trunking, Cabinets Enclosures, Panels, Steel cladding.

Technical Specification

Diameter	20 & 25mm
Overall Length	65mm
