AC04821

6.0mm Nut Driver

6.0mm Magnetic Nut Driver for fastening sheet metal screws and hexagonal nuts / bolts.

Feature a ¼" quick-change shank.

Impact rated for use in impact drivers.

Strong rare earth magnet maximises the connection with fasteners for secure holding.

Made from Chrome Vanadium for durability and strength in high torque applications.

65mm length for extra reach.

Technical Specification

10-AC04821-2021-V1
