AC0526

Safe Isolation Kit

- Safe Isolation kit including 2 pole tester, proving unit, lock off device and carry case
- 12-690V AC/DC LED voltage indication even without batteries
- Clear audible tone and bright pen torch
- Phase rotation and polarity indication
- Lock off device fits all MCBs with user selected combination lock
- Heavy duty proving unit housed in carry case with access for testing
- IP54 and designed to the latest British and international safety standards
