

Acel part number AC0566

## Multifunction Installation Tester

2 and 3 Wire Loop Test (\*European Patent Pending)

Automatic Testing of 3 Insulation Tests from One Connection

TRMS for Accurate Measurements on Noisy and Distorted Circuits

LPE/LN with PFC/PSC Results Displayed on a Single Test

New Auto Start Mode, On or Off for Easy Testing

Dual Test Button for Left or Right Hand Use

Neck Strap and Safety Harness

Built In Fuse Characteristics, Max Value Displayed

Phase to Phase Loop Test

Full Help Schematic Display

Compliant with BSEN 61557-1-2-3-4-5-6-7, 18th Edition

RCD Testing 6mA to 1A

Fast Auto RCD Test only One Trip to the Board

Type A and AC RCD Test

Auto Mode for All Loop and RCD Tests In One Test

Insulation Test 50V,100V,250V,500V and 1000V

Continuity Test with Test Current 200mA

CAT IV 300V

All Leads and Carry Bag Supplied

**Section-10-AC0566 2021 V19**

### Technical Specification
