AC15509

Smart Gateway Hub

- 256 paired devices max. (Depending on products connected
- Wireless Zigbee smart control
- Supplied with plug in adaptor, USB cable and ethernet cable

Technical Specification	
Dimensions	90mm (L) x 90mm (W) x 23mm (D)
Working Voltage	1.8-3.3V
Operational Temp.	-10°C to +55°C
Warranty	1 Year

1-AC15509-2021-V1
