

### AC15513

### Smart Temperature & Humidity

- Temperature range -10°C - +50°C
- Humidity range 0% to 100% RH (No condensation)
- Detection accuracy  $\pm 3\%$
- Wireless Zigbee smart control
- CR 2032 battery supplied
- Requires the CSP010 Smart Gateway Hub

#### Technical Specification

Dimensions	37mm (Dia.) x 11.6mm (D)
Working Voltage	3V DC
Working Current	5mA (Average)
Operational Temp.	-10°C to +50°C
Warranty	1 Year

1-AC15513-2021-V1
