

7 - Cable Management

Technical Specification				
Material	Nylon			
Width	3mm			
Length	10m			

## AC2550

## Nylon Fish Tape 10m

Lightweight

Strong

Nylon material

High quality, flexible draw tape which is perfect for feeding cables through conduit, ducting, trunking & ceiling voids etc.

Tough nylon construction with brass ends and steel spiral wire for accurate and reliable performance.

7-AC7250-2021-V1
