

2 - Cable Accessories & Sundries

Technical Specification	
Weight	1.383kg
Colour	Copper
Dimensions	1220MM x 14mm (HxW) 4ft x 5/8" (LxD) 30mm (L1)
Standards	BS7430, BS EN 62305

## AC2572

## Earth Rod 5/8inx4ft C/B

Features & Benefits to go here

High Tensile Strength

Low Carbon steel Core

25microns 99.95% pure copper molecularly bonded on to steel core

Excellent Corrosion Resistance

Cold rolled threads for greater strength, corrosion resistance and preservation of copper coating

Mechanically robust

## 2-AC2572-2021-V1
