

AC2573

Duty Clamp Standard 5/8in

Features & Benefits to go here

Excellent Corrosion resistance

Strong and durable to ensure a lasting connection

Low resistance connection between stranded conductor and earth rod

Technical Specification

Conductor Range	6-70mm ² /70-120mm ²
Weight	0.10kg
Material	Gunmetal & Phosphor Bronze (M10x25mm set screw)
Suitable for use with	8mm soil circular copper conductor
Dimensions	41x25x17mm . 48x30x19mm (HxWxD)
Standards	BS EN 62561

2-AC2573-2021-V1
