

AC2575

5/8" Driving Stud

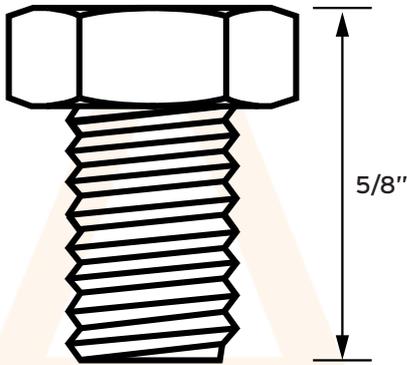

Features & Benefits to go here

High tensile steel construction

Galvanised/Corrosion resistant

High impact resistance allows deep driving of earth rods

Suitable for 5/8" earth rods

Technical Specification

Connector type	Screw
Material	Steel
Finish	Galvanised
Standards	BS EN 62561-2
Dimensions	5/8"

2-AC2575-2021-V1
