

AC2715

ACEL AC2715 Universal Beam

For a solid fixing under flanges without welding or drilling

Suitable for horizontal and vertical flanges

With female thread M6

Material: spring steel (type CS70)

Surface treatment: Delta-Tone 9000 (480 hours)

Technical Specification	
A (mm)	3.0-7.0mm
Fa,z (N)	450

2-AC2715-2021-V1
