

### AC3237

### N/O 20A 230V AC Coil 2 Pole Modular Contactor (1 Module)

Rated insulation voltage (Ui) 400V AC, Cost effective, flexible install options, range, contact status indicator, space saving as can be group mounted, reduced noise level (hum-free operation) for noise sensitive environments, easy to install (din rail mountable)

Technical Specification	
No. of Modules	1
Width	18mm
Rated Terminal Capacity Supply (mm <sup>2</sup> )	1.0-10mm <sup>2</sup>
Rated Terminal Capacity Coil (mm <sup>2</sup> )	0.5-2.5mm <sup>2</sup>
Rated Insulation Voltage (Ui)	400V AC
Rated Operation Current AC1 (Ie)	20A
Rated Operation Current AC3 (Ie)	9A
Rated Power AC1 (kW)	4kW (230V AC)
Rated Power AC3 (kW)	-

3-AC3237-2021-V1
