3 - Circuit Protection & Industrial Control

AC333717

H: 110 x W: 110 x D: 110mm IP67 Junction Box

IP67, Thermoplastic enclosures (Terminals not included), Halogen free, Non-flammable, With Din Rail, Enhanced protection, Time saving, Flexible installation options, Range flexibility, Reduced install time, Wide range of applications, Range uniformity

Technical Specification	
External height	**110mm**
External depth	**110mm**
External width	**110mm**
Weight	**0.315 Kg**
Construction	**ABS Plastic**
Number of cable entries	**8**
Din rail	**TS 35**
Ingress protection	**IP67**
Ambient temperature operation	**-10°C to +40°C**
