

AC336614

SDS + ISO 15kW, 230V AC Coil Metal Clad Compact Star Delta Starters (IP54)

IP54, Cover: RAL 7035 / Base: RAL 7012, Overload relays must be ordered separately, H:240 x W:310 x D:165mm, Enahnced safety, Time saving design, Egonomic installation design, Complete integrated unit for cost savings

Technical Specification	
Max. Motor Size kW@415V	15kW
Max. Overload Setting	17A
Coil Voltage	230V AC
Power Terminal Capacity	10mm ²
Control Terminal Capacity	4mm ²
Isolator Terminal Capacity	10mm ²

3-AC336614-2021-V1
