

AC33766

IP20 Steel Enclosure c/w Main Switch, MCB and SRG1VCU

### Retrofit Surge Protection Units

Ideal for installation where it is not possible to accommodate a suitable surge arrester directly within the existing consumer unit.

Provides protection against the effects of transient over voltages.

#### Technical Specification

<b>Description:</b> cw Main Sw, MCB & SRGT2CU
<b>Dimensions:</b> 250x135x87mm (HWD)
<b>Frequency:</b> 50-60Hz
<b>Manufacturing Material:</b> Steel
<b>Phase:</b> 1
<b>Protection Degree:</b> IP2X
<b>Protection:</b> MCB
<b>Rated Operating Voltage:</b> 230V~
<b>Surge Protective Class:</b> Type 2-3

3-AC33766-2021-V1
