3 - Circuit Protection & Industrial Control

AC33800

Dist Board 12 way TP&N Type B

12 Way Three phase distribution boards supplied unpopulated for maximum design flexibility

Compatible with Lewden 6kA & 10kA MCB's & RCBO's.

Designed for commercial premises.

Technical Specification

Dimensions: 700x458x120mm (HWD)

Execution: WALL MOUNTING

Frequency: 50Hz

Manufacturing Material: Steel

Modules Number: 12way (36 x single phase)

Phase: 3

Protection Degree: IP2XC

Rated Current: 125A

Rated Operating Voltage: 230/400V

3-AC33800-2021-V1
