

AC33808

MCB SP Type B 6A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

Breaking Capacity: 10kA	
Execution: DIN RAIL MOUNTING	
Frequency: 50/60Hz	
Poles: 1	
Rated Current: 6A	

Rated Operating Voltage: 230-400V~ Trip Curve: B

Technical Specification

3-AC33808-2021-V1
