

## 3 - Circuit Protection & Industrial Control

## AC33819

## MCB SP Type C 16A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

Technical <mark>Specif</mark> ication	
Breaking Capacity: 10kA	

**Execution: DIN RAIL MOUNTING** 

Frequency: 50/60Hz

Poles: 1

**Rated Current: 16A** 

Rated Operating Voltage: 230-400V~

Trip Curve: C

3-AC33819-2021-V1
