

AC33832

MCB TP Type C 50A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

### Technical Specification

**Breaking Capacity: 10kA**

**Execution: DIN RAIL MOUNTING**

**Frequency: 50/60Hz**

**Poles: 3**

**Rated Current: 50A**

**Rated Operating Voltage: 230-400V~**

**Trip Curve: C**

**3-AC33832-2021-V1**
