

AC33849

Steel fused switch 80A 4P AC23
c/w 63 A and 80A fuses

Metal Clad Fused Disconnecter - 63A 80A

Robust and wide IP65 Enclosures

Fully rated to AC-23A category - allows safe
operation even with highly inductive loads (e.g.
Motors, etc.)

Technical Specification

Dimensions: 400x300x150mm (HWD)

Diversity Factor: 1

Frequency: 50-60Hz

ICC Rating: 120

Manufacturing Material: Steel

Phase: 3

Protection Degree: IP65

Rated Current: 80A

Rated Operating Voltage: 400V~

3-AC33849-2021-V1
