

AC33850

Steel fused switch 125A 4P
AC23 c/w 100A and 125A fuses

Metal Clad Fused Disconnect - 100A 125A

Robust and wide IP65 Enclosures

Fully rated to AC-23A category - allows safe operation even with highly inductive loads (e.g. Motors, etc.)

Technical Specification

Dimensions: 500x300x150mm (HWD)

Diversity Factor: 1

Frequency: 50-60Hz

ICC Rating: 100

Manufacturing Material: Steel

Phase: 3

Protection Degree: IP65

Rated Current: 125A

Rated Operating Voltage: 400V~

3-AC33850-2021-V1
