

AC36940

40A Enclosed 3 Pole + Neutral IP65 Aluminium Enclosed Firefighters Switch

EN 60947-3, Padlockable in the OFF position for added security (For 1 padlock), 4 x M25 threaded cable entries, 1 x M16 threaded entry (Top), Epoxy powder coated die cast aluminium enclosure, Lid removable in OFF position only

Technical Specification

Rated operational voltage Ue	690V
Rated insulation voltage Ui	690V
Rated impulse withstand voltage Uimp	6kV
Rated thermal current at 40oC	40A
Rated uninterrupted current Iu	40A
Pollution degree	2
Rated operational current Ie	AC-21A, 690V - 40A
Rated operational power Pe AC-23A (50Hz)	400 (415) V - 11kW 690V 15kW
Max fuse size (Type gG)	40A
Rated Fused short circuit current	25kA
Single/ Multiple strand wire/ Fine strand	2.5mm ² min 6mm ² max
Recommended Tightening Torque	1.2Nm

3-AC36940-2021-V1
