

AC447225

IP20 constant voltage driver

- IP20 for indoor applications only
- Constant voltage driver for use with 12V strip range only
- Non dimmable
- Maximum strip length per driver of 6m
- 30W, 12V, IP20 constant voltage driver

Dimensional/Line drawings to go here

Technical Specification

Cap Type	na
Total Power	30
Width (mm)	40
Length (mm)	149
Unit Weight / kg	0.12
Height (mm)	27
