

AC48193

LED Batten Pro 5ft Single 29W IP65 4000K FR

Features & Benefits

- High efficiency up to 145 lpcW
- 90° Lock-in-place side clip design, keeps clips clear during installation
- Detachable 4 pin terminal block with multiple positions adjacent to all cable entry points
- Inbuilt loop-in/loop-out cable restraints to ensure that cables do not clash when closing the fixture
- Plug & play emergency & microwave sensor modules with optional remote control
- Ultra-wide surface mount bracket rail to enable flexibility to locate joists
- Wide body for retrofitting BESA conduit box mounting, with rear, side and end conduit entry points
- Unique rear IP65 gasket, sealing cable entry from within the fixture for surface mounting applications
- 4ft, 5ft, 6ft single and twin light outputs in both opal and prismatic diffuser options
- Microwave step dimmable, DALI and 1-10V dimmable options available
- 5-year extended warranty on fixture and batteries, which uses LifePO4 batteries for improved performance and life

Technical Specification

Color Finish	Grey
IP Rating	IP65
Voltage Rating	220-240
Class	I
Dimmable	No
Operating Temperature Range °C	-20 to +50
LED Life (Hours)	54000
Actual Lumen Output	4200
Lumens Per Circuit Watt	145
Correlated Color Temperature	4000K
