

AC63015

2 speed 100mm axial fan kit

An intermittent extract PIR fan designed to control humidity, odours and mould growth in bathrooms, shower rooms, cloakrooms and toilets.

Supplied with a remote transformer, the fan is designed specifically for safe installation directly in or over splash area zone 1.

Meets Parts F and L of Building Regulations.

Suitable for wall, ceiling and window fitting (via a Simply Silent Window Kit Plus), the fan comes complete with a wall-fitting kit.

Features a grille-style fascia finished in cool white

Ghost Air Movement Technology for near-silent running.

The fan has 2 speeds, selectable at install and comes complete with a 2 year Guarantee.
