

AC63031

100mm axial shower fan light loft kit

An intermittent extract timer fan (selectable between 30s and 30 mins overrun) designed to control humidity, odours and mould growth in shower rooms.

Includes a warm white LED light.

Comes complete with 3M of flexible ducting and an external grille plus a SELV transformer to enable a complete shower room installation.

Meets Parts F and L of Building Regulations.

Ghost Air Movement Technology for near-silent running.

The fan has 1 speed and comes complete with a 2 year Guarantee.
