

### AC6921

## Energy Efficient Automatic Hand Dryer - Silver, 1.85 kW

- 3 year warranty
- Fast dry time 10 – 13 seconds
- HEPA filter and UV sterilisation technology for enhanced hygiene requirements
- Long life brushless motor
- Element on/off switch and low / high air speed gives adjustable power output of between 0.6kW and 1.85kW
- Quiet - sound level 70dB
- Intelligent temperature control - heating element switches off when room temperature is above 25°C
- Modern stylish design
- Robust design ensures durability and reliability
- Automatic double sided blades
- Choose from high (700 W) or low (600 W) air speed
- Integral drain tank with level window
- Vandal resistant
- Blue dry zone indicator

Technical Specification	
Outer Casing	Easy clean, high impact ABS
Heating Element	1150 W - Option to switch off
Motor	Min 600 W Max 700 W DC brushless
Current	8 amps
Air Speed	95 m/s
Operation	Touch free automatic
Safety	Overheat temperature protection. Safety timer prevents continuous running.
IP Rating	IPX4
Installation	Full fixing pack and template supplied. Cable entry in the lower left rear corner. Optional concealed entry if desired.
Electrical Connection	13 amps. Class I
Approvals	CE
Standard Warranty	3 years parts or replacement warranty.
