

### AC7214

| Technical Specification      |                              |
|------------------------------|------------------------------|
| Material cable gland         | Polypropylene                |
| Protection class             | IP66 / IP67                  |
| Temp. range min              | -30 °C                       |
| Temp. range max              | 100 °C                       |
| Temperatures during install. | -5 °C - 60 °C                |
| Glow wire test               | 750 °C                       |
| Voltage                      | 690 V                        |
| Product Color                | Grey - RAL 7035              |
| Terminals/poles              | 5-pole, 10.0 mm <sup>2</sup> |
| Fixing                       | 4 internal openings          |
| External dimensions LxWxH    | 140 x 140 x 82mm             |
| Packing unit                 | 2                            |
